## A YEAR OF FIRSTS

It was the first year we had all students on campus, the first all-school festival, the first dances, the first year with parents volunteering at school events, among many others. Being a brand new school with a brand new PTO, we're still working on how best to raise funds, support our students and staff, and involve our community. In spite of it all, it's been an amazing year and we couldn't have done it without your generous support.

It's been an honor to serve as your PTO president this past year, and I will be continuing to serve our LMA community as the Co-VP of Fundraising. Thank you for your continued support of our school!

## LOOKING FORWARD

It's been exciting to watch the gym rise up piece by piece throughout the summer. One of our big initiatives for this year is to raise funds to fill our new gym with equipment for all our students.

Our fundraising efforts will include:

- Waves 180
- Corporate Sponsorships
- Our first Gala in December
- Restaurant Nights

Equally important is our desire to create a Legacy community of advocates and ensure that every student is supported, whether through events, clubs, or other opportunities.

I'm looking forward to serving as this year's PTO President and hope to meet many of you soon.
