“Intelligence and skills can only function at the peak of their capacity when the body is healthy and strong.”

— John F. Kennedy

Dear Friends of Legacy Magnet Academy:

Located in the heart of Tustin Legacy near the historical Marine Corps Air Station Tustin Hangars, Legacy Magnet Academy is Tustin Unified School District’s newest school. Legacy is a 6th – 12th-grade magnet school focusing on Technology, Innovation, Design, and Entrepreneurship (TIDE).

A part of our school’s mission is to develop well rounded individuals who will be our next leaders, innovators, entrepreneurs and trailblazers in our world. Aside from developing skills and passion, we want to impart that health is wealth. Therefore, we are building a state-of-the-art gymnasium. We can’t do this without your support.

We invite you to attend and be a sponsor for our upcoming fundraising gala on Saturday December 3, 2022 at the Eureka Building to raise money to fund the equipment and tools needed for our new gymnasium. This building will be ready for use in the 2023-24 school year.

Your sponsorship will allow us to purchase the latest exercise equipment, build a kinesiology lab and fitness center for our students to use. The gymnasium will also house our physical education department.

Would you please consider making a gift to support our new gymnasium? In return we offer enticing sponsorship packages to promote your business and make you a part of our school’s legacy. This gymnasium is another part of the wave of innovation we intend to create at Legacy Magnet Academy, and we want you to be a part of it.

Legacy Magnet Academy PTO is a non-profit organization, and our **Tax ID number is: 85-2252507**

Enclosed you will find our sponsorship package and desired items for our new gymnasium. Your support is greatly appreciated. We are excited to get to work! Thank you for being a part of our community and our story.

For any questions, feel free to contact us at gala@legacyppto.org

With much appreciation,
